Subject: LIUNA Chicago Laborers' District Council Endorsement

To Cherryl Fritz Strathmann:

Illinois' leadership and vision for the future is vital to the livelihood and well-being of the members of our union. Likewise, the state depends on the skilled labor and expertise of our membership each and every day. This unique partnership requires cooperation, understanding, and dedication from all parties. We believe you have shown a commitment to those values, and in turn are asking our members and their families to support your candidacy.

More than any other state in the country, Illinois is synonymous with hard work and a strong middle class. Those ideals are the backbone of our state and our 20,000+ member-strong union. Leaders like you have proven you will uphold those values by increasing opportunities for middle class workers and standing up for collective bargaining rights, fair pay and benefits for all workers.

We are proud to endorse you for these reasons. Thank you for your commitment to the working-class families of Illinois.

If you would like to use our logo or other content to promote our endorsement please, contact Deirdre Darnall, Communications Director at ddarnall@liunachicago.org or 630-272-5780.
